Brick by Brick PRE-SCHOOL

## AUTUMN TERM NEWSLETTER | NOVEMBER–DECEMBER 2026

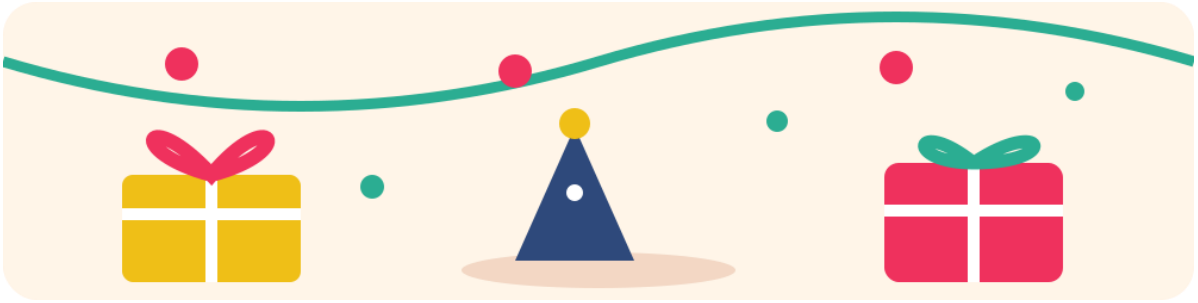

**Dear Parents and Carers,**

We have a wonderful half term ahead, filled with opportunities to learn, explore and celebrate together. Here are the key dates and reminders for your family.

### What we'll be exploring

- Diwali and Bonfire Night
- Remembrance Day and Our Community
- Keeping Healthy
- Pets and Animal Stories
- Advent/ Christmas
- Party Week

### Christmas Party — Wednesday 16 December

Mr. Boo-Hiccup will be back to entertain us! All children are welcome to join the party from 1.30pm to 3.30pm.

Please collect all children at 12.30pm after the morning session. There will be no lunch club or usual afternoon session that day while we prepare. If your child normally attends on Wednesday afternoons and this causes difficulties with work commitments, please speak to me.

### Nativity — Friday 18 December

We are delighted to invite families to celebrate Christmas with us at our Nativity. All children are welcome to take part as shepherds or angels. Costumes for main characters will be provided, and your child's Key Person will let you know.

If your child does not normally attend Friday mornings but would like to take part, please bring them already dressed in costume at 11.45am. We will share any further arrangements directly with families.

## Fresh Look, Same Loving Care

You may have noticed our refreshed Brick by Brick logo! Our new look reflects the warm, welcoming and nurturing pre-school we are proud to be. While our branding has changed, our commitment to knowing and supporting every child remains the same.

**Our new email address: info@brickbybrickpreschool.co.uk**

## Welcome to the Team!

As our pre-school community continues to grow, we are delighted to welcome Aroma and Darshna to the Brick by Brick Preschool team. We look forward to having them join our preschool community and working together to provide the best possible care, learning and experiences for our children.

## A Gentle Reminder about Illness

We would kindly like to remind you and request that you do not bring your child into Pre-School if they have been given Calpol. We find that Calpol wears off very quickly, leaving the children feeling unwell and upset.

If a child has been prescribed anti-biotics by their GP, they should not return to pre-school for 24 hours after their first dose if they are well enough to attend.

If a child has diarrhea and or vomiting, they should not return to Pre-School until 48 hours after the last bout if they are well enough. If you would like a copy of our Managing Sickness Policy, please let me know.

## Your Child's Learning and Development

If your child has started with us in September, and you have not yet had an initial assessment meeting with their Key Person, they will be in touch to arrange a mutually convenient time. For all other children, if you would like to discuss your child's learning and development, please speak with your child's Key Person to arrange a suitable time to meet.

## Extra Sessions from January

If you would like to request additional sessions from January 2027, please let me know as soon as possible so we can discuss availability.

## Important term dates

Last day of autumn term: Friday 18 December 2026
Spring term begins: Monday 4 January 2027

If you have any questions, please speak to me in the morning or email info@brickbybrickpreschool.co.uk.

Wishing you and your families a joyful festive season!

**Warmest wishes,**
**Sofia and the Brick by Brick Team**
